**Lungs Declared Sound—
Life Insurance Granted.**

If you knew a remedy that really had
cured Tuberculosis; that had saved from
death quite a number of people, would
you try to get Consumptives interested
in it and induce them to take it; or
would you say nothing about it, for fear
of giving offence?

We know the medicine. We know the
people cured—some of them. We have
the stories of cure of many—and affidavits
from some. We advertise Eckman's
Alternative to tell those who have lung
disease what has been done by its use
Investigate the following:

1618 W. Dauphin St., Phila., Pa.
Gentlemen: "On the evening of May
13, 1907, I had five hemorrhages from the
right lung. My hemorrhages kept up for
one week—I had twenty-eight in all. Sep-
tic pneumonia developed. My doctor told
me I had better go to another climate
as my left lung had also become affected.
About that time I met Howard Klotz
1619 Susquehanna Ave., this city, who
had hemorrhages several years ago and
who was cured by Eckman's Alternative.
I started to take Eckman's about the
latter part of August, 1907. My appetite
improved at once and in about two weeks
I started to gain weight. I improved
steadily. Later, a very bad lameness de-
veloped in my right leg and I commenced
to get a lump on my right hip. My doc-
tor told me I was getting a tubercular
abscess and that it was affecting the
sciatic nerve. The lameness and lump
gradually disappeared. Have not had any
trouble of that nature since.

Since my recovery about a year ago
was accepted for life insurance, after
two examinations by a company that had
previously rejected me.

I have advised several people to take
Eckman's and those who took it faith-
fully had the same results as myself."
(Signed Affidavit) CHAS. MORGAN.

Eckman's Alternative cures Bronchitis,
Asthma, Hay Fever, Throat and Lung
Affections. Ask for booklet of cured cases
and write to the Eckman Laboratory

FOOLHARDY

Tuesday morning Ruggles & Hayelip, proprietors of a large steam traction engine, met with another disastrous accident in an attempt to take the machine over the Rectorville bridge. When about in the center of the bridge the strained cracking timbers so frightened the two men that they deserted it to its fate, and the machine, left to take care of itself, took a sudden sheer, tore out the side of the bridge and dropped to the bottom of the creek, a mass of ruins. This is the second time in three months that the same machine has broken down county bridges.

In the first accident at Epworth several were seriously injured, Carl Rayborn losing a leg. Tuesday no one was hurt, but the money loss is considerable.

BARACA OFFICERS

Last evening the "Tuckabachee Baraca" Class met in their rooms at the First Baptist Church and elected the following officers for the ensuing six months:

Secretary—James Roden.
Assistant Secretary—Herbert Martin.
Treasurer—Clarence Pickrell.

A committee of three, consisting of Messrs. Reynolds, Williams and Brady, was appointed to make necessary arrangements for the celebration of the twentieth anniversary of the Baraca movement to take place on October 23d, 1910.

After the business session the Class repaired to Traxel's for refreshments and thence to the Pastime.

The Class is arranging for extensive work this winter and interest in the meetings is growing.

A full attendance is urged next Sunday. The members are wanted and visitors are always welcome.

Constipation

"For over nine years I suffered with chronic constipation and during this time I had to take an injection of warm water once every 24 hours before I could have an action on my bowels. Happily I tried Cascarets, and today I am a well man. During the nine years before I used Cascarets I suffered untold misery with internal piles. Thanks to you, I am free from all that this morning. You can use this in behalf of suffering humanity. B. F. Fisher, Roanoke, Ill.

After The Grippe

"I am much pleased, to be able to write and thank you for what Cardui has done for me," writes Mrs. Sarah J. Gilliland, of Siler City, N. C.

"Last February, I had the Grippe, which left me in bad shape. Before that, I had been bothered with female trouble, for ten years, and nothing seemed to cure it.

"At last, I began to take Cardui. I have taken only three bottles, but it has done me more good than all the doctors or than any other medicine I ever took."

Take CARDUI

The Woman's Tonic

For the after-effects of any serious illness, like the Grip, Cardui is the best tonic you can use.

It builds strength, steadies the nerves, improves the appetite, regulates irregularities and helps bring back the natural glow of health.

Cardui is your best friend, if you only knew it.

Think of the thousands of ladies whom Cardui has helped! What could possibly prevent it from helping you?

Remember you cannot get the benefit of the Cardui ingredients in any other medicine, for they are not for sale in any drug store except in the Cardui bottle. Try Cardui.

MEDICINES MADE FROM ROOTS AND HERBS.

In the good old-fashioned days of our grandmothers they depended upon medicines made from the roots and herbs of the fields to cure disease. Lydia E. Pinkham's Vegetable Compound, that standard remedy which is made from roots and herbs for woman's ills, had its origin in this way. For thirty years it has been redeeming its promise written on the label of every bottle by curing thousands of women of feminine ills. It's a good, honest medicine.

The wounds on his head and bruised face are evidence that he was badly used up.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Danderine

EVERYBODY CAN HAVE BEAUTIFUL HAIR NOW, and they don't have to wait weeks and months for results either. You will notice marked improvement after the very first application.

Danderine is quickly and thoroughly absorbed by the scalp and the hair soon shows the effects of its wonderfully exhilarating and life-producing qualities. It is pleasant and easy to use—simply apply it to the scalp and hair once a day until the hair begins to grow, then two or three times a week till desired results are obtained.

A lady from California writes in substance as follows: "I have been using your wonderful hair tonic for several months and at last I am now blessed with a wonderful suit of hair that measures over 48 inches in length; the braid is over 5 inches around."

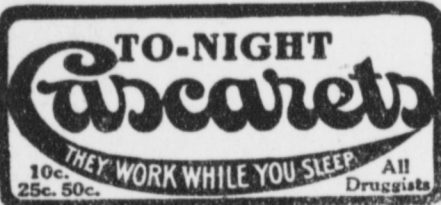

Another from New Jersey: "After using sixth bottle, I am happy to say that I have as nice a head of hair as anyone in New Jersey."

This Great Hair-Growing Remedy can now be had at all druggists in three sizes, 25c, 50c and \$1.00 per bottle.

To show how quickly Free Danderine acts, we will send a large sample free by return mail to anyone who sends this free coupon to the Knawitlan Danderine Co., Chicago, with their name and address and 10c in silver or stamps to pay postage.

Not Sisters

Now and again you see two women passing down the street who look like sisters. You are astonished to learn that they are mother and daughter, and you realize that a woman at forty or forty-five ought to be at her finest and fairest. Why isn't it so? The general health of woman is so intimately associated with the local health of the essentially feminine organs that there can be no red cheeks and round form where there is female weakness.

Women who have suffered from this trouble have found prompt relief and cure in the use of Dr. Pierce's Favorite Prescription. It gives vigor and vitality to the organs of womanhood. It clears the complexion, brightens the eyes and reddens the cheeks.

No alcohol, or habit-forming drugs is contained in "Favorite Prescription." Any sick woman may consult Dr. Pierce by letter, free. Every letter is held as sacredly confidential, and answered in a plain envelope. Address: World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

Gas Light Talks—No. 22.

Understand the Case.

It seems to us that the best method to pursue in settling the various and vexatious public utility controversies, which have been waged in Maysville for some time past, is that of making a concise, but complete statement covering the entire situation.

This we shall do and, as it will require several of these Talks, we ask you to pay close attention to what we have to say. It concerns the welfare of the entire city.

We stated in yesterday's Talk, that the recent ordinance providing for the establishment of a municipal gas and electric plant, was a political move, into which personal feeling entered to some extent.

For a good many years, there has been a certain element of the public which has been antagonistic to this company and to those interested in it.

We believe this attitude to be due more than anything else, to a lack of understanding of our methods and motives.

And, perhaps, we are, to a certain extent, responsible for this misunderstanding.

You see, the tendency of the times is for public service corporations to advertise themselves and to keep themselves always in the public eye.

We have not done this: We have proceeded with our own business in our own way, without noise or ostentation, trusting that the service would speak for itself.

Apparently our ideas on this subject were mistaken, or else—

The present misunderstanding is willful and has an ulterior motive.

We do not like to believe this.

However, if a plain, frank statement of fact will clear the atmosphere, then certainly it will be cleared when we are through—

For we intend to go into the matter from the beginning and tell you a number of things we have done for the city which certain of you do not—or do not want to—appreciate.

We are not going to be particularly modest about it either, but we intend that you shall become acquainted with the facts.

Maysville Gas Company

Horace J. Cochran, President.
